

WELCOME TO DESERT BLUME GOLF CLUB!

Desert Blume Golf Club is a desert themed layout with unsurpassed attention to detail and golfing enjoyment. With an emphasis on golf course conditioning and customer service we strive to surpass your expectations.

Since our opening in 2007, we have worked diligently to make the course as enjoyable as possible for players of all skill levels. We are proud to have the longest golf season in Medicine Hat and one of the longest in Alberta. In our short history we have typically opened in late March and stayed open as long as mid-November, ensuring that our members and guest alike have the most opportunities to play right here at home. Our goal is to consistently have the golf course in the best possible condition from the time we open until the time we close. The greens at **Desert Blume Golf Club** are some of the best you will find in Southern Alberta with many golfers commenting that they are the best they have ever played. You will also enjoy Medicine Hat's best practice facility including; a large grass tee area, bent grass target greens and quality range balls.

With our membership still growing, you will be sure to enjoy easy access to tee times. There are no ballots for prime tee times and booking can be done in the golf shop, through your smart phone or online. Guest rates are available, so be sure to inquire with our Director of Golf, Chris Paskin, about the guest policy. Throughout the year we offer numerous special events for our members including a 9-hole Ladies Night, an 18-hole Men's Night and our Canada Day Celebration complete with our very own fireworks show, to name a few. These special events are always a lot of fun and are a great way to get out and meet your fellow members.

Here at **Desert Blume Golf Club**, we are pleased to offer several different membership categories to suit every budget and golfing need. All amenities are provided with your membership including; unlimited golf, electric power cart, driving range, club storage and access to the locker room with private locker and steam room. Contact Chris Paskin in the golf shop for more information on all our membership packages.

At the completion of your round be sure to stop by our 16,000 ft. clubhouse and lounge. Open year-round to members and non-members alike, our award-winning chef creates a new menu seasonally which is sure to please both the casual diner and those looking for a more upscale dining experience. During the summer, don't miss Medicine Hat's largest patio, featuring exceptional golf course views and a relaxing atmosphere. The perfect place to unwind after your round of golf!

With all that **Desert Blume Golf Club** has to offer, we're sure you will see why we truly are **Medicine Hat's Premier Golf Club**. We look forward to welcoming you to "your" course!
